The cover picture is what it feels like at home now after spending 6 weeks up in the Northern reaches of NSW near the QLD border with temperatures in the mid to high 20s C. I believe it is actually Roy Smiths vehicle at one of his fishing trips to Lake Eucumbene.

I have put this comment re fees back in this week as the treasurer has said he will give me the final membership list up to the end of June at this July meeting I will then remove those people who have not renewed their membership.

Please note, If you have not paid your 2019 ISOC Victoria club fees, this will be your last newsletter.

After sending several reminders our Treasurer has asked me to put a notice in this newsletter. There are about 5 people who have not paid their fees for this year.

If we become a club that can issue club plates there will not be the 6 months grace that has been extended this year. Once the fees are due if someone has not paid their vehicle becomes unregistered as they are not paid up members of the club. It will be the clubs responsibility to notify VicRoads immediately that someone is not paid up. The club can't take the risk of someone who has not paid the fees when due having an accident as we would then lose the right to issue club permits.
