President's report

Hello to all members and as 2019 winds down I hope this all finds you well.

When we all cast our minds back, 2019, will certainly be remembered for a variety of reasons, some good, some not so good and each of us will remember it differently for different reason.

Myself, I'll remember 2019 for the great trip we had to Evans Head and Casino for the Scout Nationals and for one other major event in the club's history that i am very pleased to announce:-

The International Scout Owners' Club, Victorian Division, has now been recognised and approved by Vicroads to administer the Club Permit scheme!!!

Woo Hoo for us!!

So now we have the approval , we get along and formulate our rules as we discussed at our last meeting held at Lyn and Wayne's place.

That also leads me to once again thank Lyn and Wayne for opening their house up as a location for the meeting and doing such a great job getting us all fed with pizza, I don't think anyone would have gone home hungry.

Hope to see everyone that can make it at our November meeting and Christmas dinner.

Cheers David P

Editor's Report With the 2019 Nationals trip, then a meeting cancelled because everyone was still away and then family commitments, there has only seemed to be the last meeting at Wayne and Lyn's for quite some time. Given Elaine and I had to leave that meeting early for a family function it seems a long time since we have had our full IH Scout fix so I am looking forward to catching up at Marong. Remember that this is our Christmas meeting and the dinner on the Saturday night will be about \$30 and will be subsidised to the tune of \$10 per member by the club. It will be held at the Marong Pub which has become all trendy but I don't think I have been disappointed with any of the meals I have had there over the years we have met there. Everyone needs to book with Elaine before the 1st November. I have been laid up for a couple of weeks after an ankle operation so am trying to catch up on computer work like newsletter, photo filing and family tree stuff, only trouble is I now have the time but can't sit in the one place long enough to get a good run at things.
