President's report.

Hi to all Members, I write these short opening words from home on a grey 9°C Toongabbie evening. The rain showers continuing, snow on nearby mountains and the fire roaring inside. Well, I don't have to suffer the cold for too long because Trace and I head off to Darwin, via Cairns, tomorrow (20/8) for a bit of a warmer break and to celebrate her Uncle's 60th birthday on the coming Saturday night. Doing a few tourist type things while away including a visit the [Australian Armour & Artillery Museum Cairns](#) **and all sites that Darwin has to offer.**

Undoubtedly, some of you will have also been able to escape the cold for warmer climates too.

I've been following the exploits of Ed Boyd and Jim Keast on Facebook and they both seem to be having a great time on their pilgrimages and both are posting great pictures.

There still seems to be a fair bit of online interest being generated on the various Scout related Facebook sites with quite a few looking to buy Scouts and other owners joining in conversations or in search of that elusive part.

It's all very encouraging that our Scouts are having a resurgence **of popularity** but always, I think, we would all like to see a corresponding increased membership in our various clubs in Australia.

Just a thought for members looking for bits and pieces for their Scouts, along with all the well-known suppliers that we all use, I have recently had some success with [RockAuto](#) and [finditparts](#). Depending on what you are looking for maybe check out what they can offer.

In closing, I would like to give thanks to our committee members and members for the work they do for the club, without their efforts and inputs we just wouldn't exist.

Final word, I promise, just a reminder for our next meeting to be held on Sunday, 22nd September at 11am at the home of Wayne and Lyn McGrath - 18 Burbank Ave, Gladstone Park (Melb). See Elaine's email regarding lunch arrangements. **[Editor: arrangements are to take your own lunch or order and pay for a pizza through Wayne when you arrive]**
