*Firstly, a word from our President, Editor and Club Plate Officer*

Hello All,

It's been sometime since I and the good lady wife have been in the company of the members and guests and frankly, we have missed all your company.

Not that we have left the grass grow under our feet!

Since we saw most of you at the AGM at the former Keast Hacienda, we have enjoyed time away in the glorious state of **Tasmania** and overseas in the ultra-clean and organised country of **Singapore**.

In between times my daughter and son in law presented us with the proverbial bouncing baby boy, **our first grandchild!**

But enough about us, how are you all going? Hope you are all looking forward to our Kergunyah get together and meeting as we all are.

So get your bookings in direct to the caravan park, pack some winter woollies in case of cooler weather and for those who arrive early and are there on Friday night, I'm hoping we can all get together for a Presidents BBQ!

**I'll even shout for the sausages, which is an event in itself because I don't usually shout, even in a shark attack!!!**

So just to remind everyone of the details the are:-

**Weekend of 20th-22nd May**, the meeting on Sunday, 22<sup>nd</sup>@ 11am.

**The venue** is at the Kergunyah Caravan Park, 10 Kergunyah Rd Kergunyah. (Ph 02 6027 5205.

So as they say in New Zealand, rattle your **dags**, chuck on your **jandals** and grab your **chilly bin** and get yourself booked in if you haven't done so already.

Otherwise you may suffer from **FOMO**, Fear of Missing Out!

**So while we are talking about meetings**, when we are at Kergunyah, we will be seeking input from the members to agree on a **suitable date for our July meeting**, which has been decided to be held at the **Lancefield Pub**. Meet at **11am for a meeting then lunch**.

Just a one day event, because of winter conditions and centrally located so hopefully we can get a good representation of our country and city members on the day.

**Numbers would be appreciated at the May meeting, please.**

Hope to see you all soon,  
David Payne, El Presidente

For the information of members wishing to take advantage of the scheme

4 April 2022

INTERNATIONAL SCOUT OWNERS' CLUB VICTORIAN DIVISION INC.  
10 RESERVOIR RD  
TOONGABBIE VIC 3856

Dear Club representative

Please read on for the following updates :

- Alignment of VicRoads club permit forms with the Road Safety (Vehicles) Regulations 2021
- Commonwealth requirement - Classic and collectible vehicles imported from 1 July 2021 will be issued a VIN that must be stamped on the vehicle.

## **Alignment of VicRoads club permit forms with the Road Safety (Vehicles) Regulations 2021**

VicRoads has updated a number of Club Permit forms to improve the vehicle data collected by VicRoads, and to ensure that the correct permit types and club permit plates are issued to eligible vehicles.

### **What do Club Permit Scheme clubs and members need to do?**

The updated forms are now available on the VicRoads website at [vicroads.vic.gov.au](http://vicroads.vic.gov.au) for you and your members to use.

- Club Permit application form
- Club Permit reassignment form
- Vehicle eligibility and standards declaration form
- Approved club office bearers and scrutineers

Please encourage your members to use these current forms rather than previous versions.

### **Why have these changes been made?**

These forms now have an updated layout and align with the Road Safety (Vehicles) Regulations 2021.

### **Club Permit application**

- There are only four categories of Club Permit – Veteran, Vintage, Classic and Historic, and Street Rod.
- Each category now has a sub-category – either Original, Modified or Replica.
- The documents required for each sub-category are listed at the bottom of the form.

### **Vehicle eligibility and standards declaration for Club Permit vehicles**

- Now includes a record of the VASS approval certificate and Vehicle Import details, where applicable.

### **Club permit reassignment and Club permit agreement**

- Re-ordering of the data fields.

### **Club Permit logbook**

- The Club Permit logbook has been updated to align with regulation changes.

---

**New requirement - Classic and collectible vehicles imported from 1 July 2021 will be issued a VIN that must be stamped on the vehicle.**

With the introduction of the Commonwealth Road Vehicle Standards Act 2018 and Road Vehicle Standards Rules 2019, vehicles imported from 1 July 2021 that do not already have a 17-digit Vehicle Identification Number (VIN) stamped into the vehicle will be issued a VIN, which needs to be stamped on the vehicle. **Club members who are considering importing these vehicles should familiarise themselves with the new requirements as explained below.**

Most classic and collectible vehicles are issued a chassis number by the vehicle manufacturer. Under the Commonwealth Road Vehicle Standards Act 2018 and Road Vehicle Standards Rules 2019, these types of vehicles are now imported under the concessional entry pathway and recorded on the Register of Approved Vehicles (RAV).

As these vehicles do not have a 17-character VIN that meets the ISO standards, the Commonwealth Department of Transport Infrastructure Regional Development and Communications (DITRDC) will issue a VIN with the condition that the **VIN must be stamped on the vehicle**. It is an offence under the Commonwealth legislation if this condition is not complied with. A plate attached to the vehicle displaying the VIN is not acceptable.

The VIN provided by the Commonwealth via the RAV process is the identifier by which the vehicle must be known throughout Australia for registration and club permit purposes and is how the vehicle's origin will be determined for the purpose of registration/CPS permit eligibility.

**Further information**

To find out more about the Club Permit Scheme obligations, search 'Club Permit Scheme' at [vicroads.vic.gov.au](http://vicroads.vic.gov.au).

To find out more about the RVS legislation please visit [www.infrastructure.gov.au](http://www.infrastructure.gov.au)

Kind regards,

**Director, Registration and Licensing  
Practice Standards and Solutions**
