Well hello members, new, interstate and the casual reader who tunes in every now and then!

It's back to reality for Tracey and me following a bit of a whirlwind adventure to the United Kingdom, Ireland and France over a very condensed 4 week period. I assure you a lot was crammed into that time with barely an idle day.

We saw and experienced so much on our tour but it also heightens how much more there is to see out in the big wild world and despite good intension, you can never see it all.

We had a great trip with no great hassles except having the sniffles and arriving home jet lagged and me coming down with Covid last week.

Despite my best efforts to visit many museums and back lanes, I didn't find a single International Scout living, dead or parts thereof.

The best I could do was while visiting Artist Claude Monet's cottage and garden in Normandy, France, I strolled down a grassy track past an open shed and spied a WW2 Army Jeep, which at least was the Grand Daddy of the modern SUV's.

EEK it's a JEEP

**As mentioned above the next meeting** is at the The Little River Tavern on 2nd July - just off the Geelong Freeway.

We should be there to order our meal at 12 noon and we will have our meeting after lunch...most likely starting between 1 and 1.30pm.

If you wish to camp overnight, you must be fully self-contained and it will cost \$10 p.n. Phone the Tavern on 03 5283 1113 if you wish to avail yourself

Regards David P

### 2023 Nationals QLD

The latest word is the Nationals are going to be a no show due to a number of factors that have been voiced on Facebook and through other channels.

I'm not going to re thrash the points here but as noted in the minutes of the May meeting as distributed, the coming meeting on 2nd July, members will have an opportunity to have input as to what shape and form our September meeting will take.

Have your say at the meeting or if you cannot attend, send your proxy to the Secretary or myself so your opinion counts.

Our ears and minds are open!
